GOAL

The goal of the Women's Cabinet is to provide, as needed, free access to personal hygiene items to low-income women of all ages in the community of Idyllwild.

YOUTH ITEMS

We provide many items specifically for children and youth, and donate bags of toiletries for children and youth during the holidays.

OBJECTIVES

1. Improve the lives of women and girls in the community by providing personal hygiene items which are a necessity, not a luxury.
2. Decrease the need for women with families to have to choose between buying personal care items and paying utilities and/or rent.
3. Increase the probability that single low-income women will have any access to personal hygiene items.
